

**Manufacturer's Certification Statement
Pertaining to American Recovery and Reinvestment Tax Act of 2009**

Superior Polymer Products certifies that its extruded recycled resin furring products listed below are "Eligible Building Envelope Components" that qualify for the tax credit allowed under Section § 25C of the Internal Revenue Code. Superior Polymer Products extruded recycled resin furring products provide all of the characteristics required for long-term performance – permanent R value, inherent water resistance, excellent physical strength and dimensional stability.

■ **EcoStud brand extruded recycled resin furring studs**

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct and complete.

A handwritten signature in black ink, appearing to read "Erik Kiilunen".
